Dear Amy Paulin,

I am pleased to inform you that you have been endorsed by Planned Parenthood Empire State Votes (PPESV) PAC Endorsement Committee.

Our endorsement is informed in part by the rating provided by Planned Parenthood Empire State Acts (PPESA), a review and evaluation of your voting records, publicly stated positions on key women's health issues, endorsements from other organizations, strength of campaign organization, and likelihood of success on Election Day.

New York State is a leader in progressive politics. The 2019 legislative session brought sweeping change to NY. At a time when our health, rights, and freedoms are being relentlessly attacked at the federal level – we need state leaders who will continue to respond. We believe you are one of those leaders in office.

Thousands of Planned Parenthood supporters, many of whom are actively engaged in advocacy around these issues, are likely to consider PPESV PAC's endorsements when making their election choices.

On behalf of Planned Parenthood Empire State Votes PAC allow me to congratulate you on your endorsement and wish you success on the campaign. If you have any additional questions, please contact us at 917.939.2176.

Sincerely,

Robin Chappelle Golston
